

February 16, 2005

Jim Flisrand  
Public Works Operations Manager  
City of Enumclaw  
2041 Railroad St  
Enumclaw, Washington 98022

Dear Mr. Flisrand:

**Subject: 2005 Operator Qualification Inspection**

On January 20 and 21, 2005, Pipeline Safety staff (Staff) representing the Washington Utilities and Transportation Commission conducted an inspection of City of Enumclaw's (Enumclaw) Operator Qualification Program (OQ).

The review of Enumclaw's OQ Plan, practices, and documentation did not identify any violations of CFR 49, Part 192 Subpart N.

Staff appreciates Jim Flisrand and Mark Vanwieringen cooperation during the inspection process. Please contact Patti Johnson at (360) 664-1266 or (360) 870-4915 for technical assistance or questions.

Sincerely,

Alan E. Rathbun  
Pipeline Safety Director

*The Washington Utilities and Transportation Commission (Commission) has the authority to enforce the minimum safety regulations per Chapter 480-93 of the Washington Administrative Code (WAC) pertaining to the construction, maintenance and operation of pipelines transporting natural gas in the state of Washington. In addition, the Commission adopts the Code of Federal Regulations (CFR) Title 49, Part 191 and 192.*
